

Chin Track Days Event Participant  
COVID-SAFE statement:

Our objective is to have no transmission from driver-to-driver, nor from driver-to-staff. The outdoor setting of track events, paired with good social distancing and hygiene practices, provides an environment that reduces the risk of virus transmission. Participating drivers have a burden of responsibility to follow best practices to prevent transmission. Please review and acknowledge:

- I have not had a positive test result for COVID-19.
- I feel well, have no fever, and no persistent cough.
- I will wear a face covering anytime I am in the presence of others.
- I will maintain social distancing at all times throughout the paddock
- I will wash my hands with soap often.
- I acknowledge that risk of contracting COVID-19 cannot be fully mitigated. I accept any consequences from my choice to participate.
